

2024

NDA - Nepal Orthopaedic Hospital

# ANNUAL REPORT

Center of Excellence for  
Orthopaedic and Trauma Care

## mindray™

### Introducing, World Class Diagnostic Ultrasound System

The ZST+ platform is an extraordinary innovation, representing an ultrasound evolution. It overcomes the traditional trade-off limitation among spatial resolution, temporal resolution and tissue uniformity, delivering exceptional image quality for infinite imaging solutions with non-stop improvements.

**Hepatus 6**

A new era for noninvasive diagnosis and treatment assessment of liver Fibrosis and Steatosis.

**Anesthesia A9**

Classic meets high-tech for All-Round safety

**HyPixel UI**
